

## Annual Enrollment is Now Online.

### Review and Modify Your Benefit Selections Between June 1 and July 15, 2010.

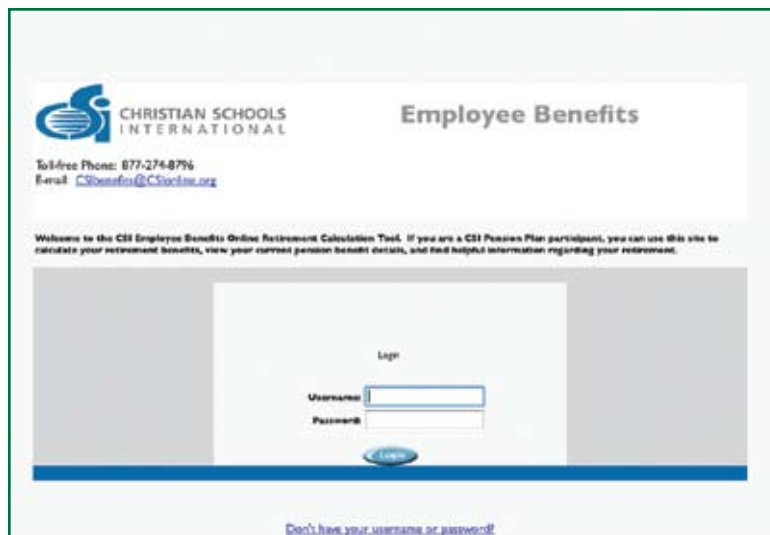

You are now able to make changes to your annual employee benefits selections online. This means that you can select from the benefit options provided by your employer for the your coverage for next year. Any changes you make will become effective September 1, 2010 and must be made by July 15, 2010 in order to be processed on time.

This year the annual enrollment process for current participants is taking place through our online system. The system will allow you to access information about your current plan selections, explore coverage selections available to you, and enroll in your desired coverage for the coming year.

### How To Access the Online System

If you have used the CSI Online Retirement Calculation tool for the CSI Pension Plan then you already have access to this system and can login using the information you have used before. Note: If you have forgotten your password, click on the link “Don’t have your username or password”

If you do not have login information these items are being sent to you in a separate letter for security purposes.

### Enrollment Instructions

Visit [www.CSionline.org/benefits](http://www.CSionline.org/benefits) and click on the Annual Enrollment button. This will bring you to the login screen pictured here. Once you login for the first time you will be asked to enter your email address and change your password. Follow the on-screen prompts to do this.

### View Your Insurance Data

Once you have logged in and changed your password you will be directed to the main screen pictured here. The section you will be using for Open Enrollment is the third item titled “View Your Insurance Data”
