

Christian Home & School Editorial Calendar 2012-2013

Spring 2012 Special High School Issue

Theme: College and Career

Submission deadline: February 1

Possible article topics:

- Helping your child to make good choices
- How to choose a secondary school (and how to fund it)
- Helping kids find their vocational calling
- Christian kids and partying
- Technology and temptation: what being wired means for today's Christian teen

Fall 2012

Theme: Advocating without Overstepping

Submission deadline: June 1

Possible article topics:

- When to let go: being there for your child without being a helicopter parent
- Recognizing the signs of childhood anxiety, depression, peer pressure, and bullying, and taking the appropriate steps to combat them.
- Helping siblings with different needs and personalities to have equally excellent school experiences.
- How participation in the school play makes a difference in kids' lives.

Spring 2013

Theme: Changes in Education

Submission deadline: November 1

Possible article topics:

- How to prep your child for kindergarten, middle school, high school
- Diversity, acceptance, and compassion, particularly around issues of learning style
- What parents and schools can do to educate the ever-growing population of children with autism.
- Online learning: the pros and cons of this new option
- How participation in the school music program makes a difference in kids' lives.
