

Skilled teachers in Christian schools around the world are shaping the foundation by which students will understand the realities of this sin-infested world. Every day students walk into classrooms to be guided in the development of a frame of mind that helps them understand that, because they are part of God's wonderful story, they are called to **Make an Impression**.

*There are four key truths that weave their way through the entire Christian school experience:*

- *God created the world, it is His.*
- *Humankind turned away from our Creator, choosing to live lives of destruction.*
- *God saves His people from sin through the crucifixion and resurrection of His Son, Jesus Christ.*
- *Out of gratefulness, those of us adopted into God's family seek to restore this broken creation for God's glory.*

Today there are hundreds of thousands of Christian school graduates scattered around the world who are choosing not to copy the behaviors and customs of this world, but to be different persons with a fresh newness in all they do and think. Each of these men and women are **Making an Impression** as God uses them to reclaim what sin has destroyed.
