Theme/Lesson: Devotions for Christmas/Advent – The Christian Christmas Tree

Your objectives in this lesson:

- a.) What is Advent?

- b.) What are different Christian symbols we might see and what do they mean?

Materials needed:

I made up different colored leaves with each of the Christian Symbols on them

- Alpha and Omega
- Open Bible
- Dove
- Lamb
- Manger
- Etc.

I also made up a brown tree trunk that we added our leaves to each day

Idea:

Each day for devotions we looked at a different Christian symbol.

Students went around and made guesses as to what the symbol stands for.

We discussed together the meaning and why the symbol represents what it does.

We stapled the “leaf” to the tree trunk so by the end of Advent, we had a complete “Christian Christmas Tree”.
