

## Easter Road Program

Let's follow the Easter Road today  
To see terrible-wonderful things on the way.  
Where Jesus walked in love you see,  
To bring salvation to you and me!

The road began in Jerusalem  
As Jesus rode a donkey.  
The people cried, "Hosanna!  
A king to set us free!"  
"Make them stop", the Pharisees shout.  
Jesus said, "The stones will cry out."

Song: (either) Ain't No Rock  
We Have a King Who Rides a Donkey

On the Passover night they went to the room upper,  
So Jesus and his disciples could have their last supper.  
To help us remember His love so fine.  
Jesus broke the bread and poured the wine.  
His body and blood He would soon give,  
And He'd do it all so we could live.

Song: Eat This Bread

In the Garden of Gethsemane  
Jesus prayed so earnestly.  
Then the soldiers came knowing what to do,  
Judas' kiss was their clue.  
They led him away on that night so cold  
To continue the journey down the Easter Road.

On the cross is where Jesus would die.  
His disciples and friends just didn't know why.  
But he suffered that death on the tree,  
To pay for the sins of you and me.

Song: For God So Loved the World

Was this the end of the Easter Road,  
With Jesus in the tomb so dark and cold?  
NO - Not the end - For on Day 3,  
He rose triumphant for all to see!

Props: Large letters of EASTER

(E) It was early in the Easter Day  
(A) That an angel rolled the stone away.  
(S) Swiftly did our Lord arise,  
(T) To take the soldiers by surprise.  
(E) Each of us are filled today  
(R) With joy... the stone was rolled away!!!

Song: Alive! Alive!

Jesus won the victory over death and sin!  
His love brought life so we could win!  
Now Jesus has gone to heaven to live  
Getting our homes ready to give.  
When He come again - All will see!!  
The big question is: Are you ready?

Song: Stay Awake Be Ready
