Theme/Lesson: *God's Creation/God Made Man and Woman*

Your objectives in this lesson:

- a.) *Students will confirm that God spoke and the world came into being.*
- b.) *Students will recall, show and classify the Days of Creation as 1 - 3 when God separated and gathered and as 4 - 6 when God made and filled.*

Materials needed: *Bible* - *Genesis 1 : 1 - 31*

Good New For Children - *Baker Book House 1969*

White paper with the template of a round world divided into six equal parts

Colorful construction paper for framing

Idea: The children will draw and color the creation of each day to facilitate learning the orderliness of God's plan for Creation. They will title their work and write a concluding sentence for Day 7. Their work will be mounted on construction paper for display.

This activity may also be used as an evaluative tool to recall story details.
