What are the best resources you’ve found helpful at your grade level

Idea:

The focus in our Bible curriculum is understanding God so that we can become more like Him. One of the studies is a 3 week focus on the Holy Spirit. Students learn who the Holy Spirit is and what he does.

Our principle handed out The 60-day Wonder Devotion Book, book 3, which focused on God’s Spirit. It included questions that kids may frequently ask concerning the Holy Spirit. The devotional tied in extremely well with our Bible lessons. In fact, it took it a little deeper than the 3 week lessons; we studied the Spirit for about 2 months!
