Theme/Lesson:

God gave Joseph the ability to interpret dreams to work out His purposes for His people

Your objectives in this lesson:

- a.) Students will understand that God spoke to His people through dreams.*
- b.) Students will learn what some of Joseph's dreams meant.*

Materials needed:

NIV Study Bible, photograph of self, white construction paper, colored pencils, Teacher Manual

Idea:

E.Q. : How does God "speak" to us today?

Students will think of and write ways in which they can use their God-given abilities to show love to others. They will write a paragraph and use their photograph in their illustration of how they can use an ability to serve others in their lives.
