

**MENTOR'S COMMITMENT**

The New Leader program pairs a leader new to school administration with an experienced administrator in another school. This relationship will help to build a foundation for long-term success, avoid common pitfalls, encourage ongoing professional growth, focus on school achievement and improvement, and open up a professional network for learning and growth.

Your role as mentor in this relationship will be important for the new leader. A training session is held at the CSI Leadership Convention—this year in Boyne Highlands, MI, from July 25-28, 2007.

Complete this application and return it to the new leader, who will submit it to CSI.

The \_\_\_\_\_ Board understands that its administrator will be mentoring a new leader during the 2007-2008 school year and gives its approval for its administrator to participate in this professional development activity.
