

CHRISTIAN SCHOOLS INTERNATIONAL

Job Title: CSI School Services Consultant (part-time)
Reports to: Chief Operating Officer
Regions: Three positions – (preferably one in the Eastern, Middle and Western United States)
Length: 12 Month contract

Overview

CSI is a strategic partner and solutions provider for Christian Schools around the world. As a solutions provider CSI establishes quality programs and services. As a strategic partner, CSI is a conduit of relationships and a collection of good thinking.

CSI consultants

CSI employs gifted individuals who are particularly skilled in coming along side of schools and unpacking the complexities of organizational life into understandable and manageable pieces. As a team CSI consultants have rich experiences in running schools, working with boards, articulating mission, managing change, and raising funds.

Areas of Responsibility

1. Respond to a variety of unique school and staff related issues that come to the CSI office from the CSI membership community.
2. Connect and foster relationships with the membership community on behalf of CSI.
3. Make visits to schools offering guidance, consultation, and membership opportunities.
4. Seek opportunities within and outside of the CSI membership for the purpose of promoting CSI services (i.e. consulting services, accreditation, membership, etc.).
5. Represent and present at various CSI programs throughout North America.
6. Share your thoughts, expertise and experiences through writing.

Time expectations:

1. Approximately 12-15 hours per month corresponding virtually and/or by phone with schools from your own office.
2. Throughout the school year you could be “on site” working with 2-3 schools.
3. Three all day meetings with CSI consulting department. Two of these would happen during the school year.
