Your Pension Plan

Enclosed is the updated booklet titled *Your Pension Plan*. It contains a summary of your benefits in the CSI pension plan. A quick review of the booklet will give you valuable information on the major provisions of the Plan.

Final Average Earnings

Effective September 1, 2004, the date up to which the Plan recognizes earnings for the calculation of an individual's final average earnings was moved from August 31, 2004, to August 31, 2007. The goal is to always have this date be in the future so that all of an individual's earnings are used in calculating the Final Average Earnings.

Updated and Improved CSI Web Site

We have expanded the Benefits section of the CSI web site to make it a valuable tool for you. Go to www.CSIonline.org and select the Employee Benefits tab to see the useful items available. The site contains information on CSI benefits, forms that you may need, and benefit publications like plan books and Updates.
