Status Report

The enclosed report contains important information about your status with the Plan as of August 31, 2007. Be sure to check the information carefully and contact us promptly if it is incorrect or incomplete, or if your records do not agree with ours. We find that there are times when incorrect birthdates are reported to us. If your birthdate or your spouse's birthdate is incorrect, please let us know. Also, be sure that your designated beneficiary is current. If you need to change your beneficiary, you can get a Change of Beneficiary form from the Employee Benefits section of the CSI Website (www.CSOnline.org).

Retirement Benefit

The Status Report gives you the information you need to calculate your estimated annual retirement benefit, based on your present status. We will be more than happy to do the calculations for you and project your benefit to your retirement date. We can do these calculations for more than one retirement date. Just call us at 800-635-8288, ext. 227, e-mail us at mkwantes@CSOnline.org or send us a letter including such information as your expected retirement date and an estimated percentage of future salary increases.

Retirement Checklist

The enclosed checklist suggests steps you can take regarding your participation in the CSI Pension Plan to prepare for retirement. Choose the checklist that is applicable and complete the steps to work towards your retirement goals.
