New Premium Rates Effective September 1, 2007

The Trustees have received and negotiated the 2007/2008 insurance renewal and have reviewed the Plan's past and projected claim experience. As we communicated in January (Update 308), there are now two sets of premium rates - one for retirees under the age of 65 and one for retirees age 65 and over.

This change is necessary because government plan coverage differs substantially for the two age groups and results in different levels of claims. Effective September 1, 2007, the new rates will be:

Table with 4 columns: BASIC BENEFIT PLAN, Old Rate, New Rates (Under Age 65, Age 65 and Over). Rows include Ontario* (Employee Only, Employee w/Spouse) and All Other Provinces (Employee Only, Employee w/Spouse).

* Ontario rates include the 8% Retail Sales Tax.

Out-of-Province Coverage Change

Effective June 1, 2007, the Trustees have reduced the return-to-home-province requirement for retirees from 30 days to 1 full day (24 hours). If you are planning a trip out of your province, you have emergency medical coverage for 60 days. You must return to your province for at least one full day to be eligible for another 60 days. The 60 days need not be consecutive days. In case of an emergency, you must call Worldwide Assistance Services within 24 hours.
