CSI Insurance Plan & Trust Fund

UPDATE

Date: September 22, 2004

To: Member Schools, Participants,
And Retirees

From: Howard Van Mersbergen
Executive Secretary-Treasurer

- New Insurance Plan Book
- New Dental Insurance Cards
- Vision Coverage is Easy to Use
- Contacting the CSI Benefits Office

New Insurance Plan Books

Included with this Update is a revised book for the CSI Insurance Plan that details your insurance coverage. Please take a few minutes and review the Table of Contents to become familiar with the information contained in the book.

New Dental Insurance Cards

If you have dental coverage, you will receive new dental insurance card(s) with this Update. Be sure to show your new card to your dental provider at your next visit so that your records can be updated and your claims are paid promptly.

Vision Coverage is Easy to Use

If you are covered for vision through Vision Service Plan (VSP) and the CSI Insurance Plan, you will find that it is easy to use. There is no need for an insurance card or claim form. Simply go to a VSP participating doctor and identify yourself as a VSP member. Your doctor will contact VSP to verify your coverage and handle all of the paperwork. To find a VSP participating doctor, go to www.VSP.com or call 800-877-7195.

Contacting the CSI Benefits Office

If you have questions, contact Lois by e-mail at llandheer@CSIonline.org or by phone at 800-635-8288, ext. 233. The CSI web site also has valuable information about your benefits. Visit www.CSIonline.org and select Employee Benefits to see the useful items available.
