### Priority Health HSA Plan Changes

There are two changes to the Priority Health HSA plan effective 09/01/2006:

1. The out-of-pocket maximum will remain at the current level of \$2,000 single/\$4,000 family for the 2006/2007 plan year.
2. The prescription drug copay will change to \$10 generic/\$40 brand after the deductible is met. Currently, the prescription benefit covers 80% after the deductible is met.
