New Medicare Advantage Plan

If you are considering retiring in the next six months, you may be interested in a new option available to retired participants who are age 65 or over. The Trustees are very pleased to offer a new Medicare Advantage Plan through Priority Health to provide you with a lower-cost alternative to our current plans. Like our current POS Plan, the Medicare Advantage Plan has no deductible, an office visit copay of \$20, a prescription drug copay of \$15/\$30, and dental coverage. You must be enrolled in Medicare Parts A and B in order to participate in this replacement for Medicare coverage through CMS. Additional coverage details are listed in the summary included with this Update.

You are invited to attend an informational meeting in either Holland or Grand Rapids hosted by CSI and Priority Health in which we will introduce the Medicare Advantage Plan and explain the benefits. You will also be able to enroll in the plan at the meetings. Plan to join us on one of these dates:

- **Monday, June 19 at 2:00 p.m.**
Hayworth Inn and Conference Center
225 College Avenue
Holland, MI
- **Thursday, June 22 at 9:00 a.m.**
Prince Conference Center on the Calvin College campus
1800 East Beltline
Grand Rapids, MI

Special Open Enrollment for Terminated Participants

Because Priority Health began offering an individual Medicare Advantage Plan before developing a group plan, we are able to offer a special open enrollment to participants who terminated their CSI coverage on or after July 1, 2005. Contact the CSI Benefits Office for more information.
