## Toshiba America Grants

Toshiba America Foundation (TAF) grants fund the projects ideas and materials teachers need to innovate in their math and science classrooms. TAF is interested in funding projects designed by teachers or small teams of teachers for use in their own schools.

Toshiba America Foundation believes science and mathematics are exciting fields in which all students can succeed with the proper tools and instruction.

Toshiba America Foundation grants support public and nonprofit private schools throughout the United States.

Founded in 1990, with support from Toshiba Corporation and the Toshiba America Group Companies, Toshiba America Foundation (TAF) is dedicated to helping classroom teachers make mathematics and science learning fun and successful for students in U.S. schools.
