

# Student-Discussion Assessment Tool

Discussion Date: 3/12/19

Topic: How Mark's Gospel Differs from Matthew's

Goal: To refer to another student by name  
(to build on their comment, differ; encourage...)

Assessment: 12 of 16 referred to a student; all 16 spoke

Next time: (Don't seat Jon + Cade together)

↳ Next goal - Refer to text specifically

Only tracking...

Key: HTT → tally of talk-turn

T = text reference

C = contextual reference to course material

Q = asking a question

R = redirecting discussion in positive direction

★ N = referring to student by name ★ Goal

I = interrupting

O = off-topic comment; sending discussion in negative or tangential direction

D = distracting classmate
