## VISION

NACCAP's certification program is specifically designed for Christian guidance professionals. Offered in collaboration with NACCAP and select member colleges and universities, this program provides training and certification in all aspects of college counseling and advising. True to NACCAP's mission, counselors are assured that experienced, quality instructors will provide an exceptional educational experience as well as personal encouragement.

NACCAP exists to provide professional development, support and encouragement for Christian college, graduate school, seminary and adult degree completion program admissions personnel and high school guidance counselors across North America.
