**IN BRIEF**

**Priority Health Auto Reform Flyer** – Priority Health resources regarding Michigan auto reform  
**Qualified Health Coverage** – Health plans offered through CSI are qualified health coverage  
**Contacting Us for Support** — Contact us if you have questions or need assistance

### **Priority Health Auto Reform Flyer**

The new auto insurance law in Michigan goes in effect on July 1, 2020. This new law makes significant changes to Michigan's no-fault auto insurance system.

To help you navigate the choices you now have regarding your auto insurance, Priority Health has tools and resources you can utilize to help make an informed decision. The attached flyer helps answer questions you may have and points you to the resources that Priority Health offers.

### **Qualified Health Coverage**

As you consider your options regarding your Michigan no-fault insurance options knowing whether your health coverage is qualified health coverage is important. The plans that CSI offers to our schools through Priority Health are qualified health plans. You can use the attached flyer and the resources from Priority Health, and any resources that your auto insurer provides, as you consider which options may be best for you and your family regarding your auto insurance policy coverage.
