I understand that if I do not return this form within 90 days, I will be deemed to have elected to receive a deferred pension commencing at my normal retirement date, with my *additional benefit* remaining in the Plan until I commence to receive my pension, at which time it will be recalculated and paid as a cash lump sum payment, less withholding taxes. I also understand that if I submit a request for a transfer after 180 days from the date that my Commuted Value was calculated for the purposes of this form, the amount of the Commuted Value will be recalculated. The Commuted Value could vary significantly, depending on the recalculation date, especially due to fluctuations in interest rates.

_____ (initial here) I certify that I am not on a leave of absence. (If you are on a leave you are still an employee of a participating employer and are not eligible to make an election on this form.)

I have had the opportunity to obtain independent financial advice. I understand that if I elect Option Two, upon the transfer of the value of my benefit I will not have any further claim to any benefit or other payment under the Plan.
