For more information about your coverage or to get a copy of the complete terms of coverage, visit us at PriorityHealth.com or call 1-800-446-5674. For general definitions of common terms, such as allowed amount, balance billing, co-insurance, co-payment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why this Matters
What is the overall deductible?	Tier 1 participating providers $1,000 person/ $2,000 family Tier 2 participating providers $4,000 person/ $8,000 family The amounts calculated toward the Tier 2 deductibles also apply to the Tier 1 deductibles. The Tier 1 deductibles do ***not*** apply to the Tier 2 deductibles. Amounts you pay toward the deductible do not count toward any co-insurance maximums.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes, the Tier 1 deductible doesn't apply to home health care. Neither the Tier 1 nor the Tier 2 deductible apply to preventive care, certain services subject to flat dollar co-pays, pediatric vision services, or prescription drugs. Emergency room, ambulance, advanced imaging and certain rehabilitation services are some of the services subject to the deductible and a co-pay.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	Tier 1 participating providers $8,150 person/ $16,300 family Tier 2 participating providers $8,150 person/ $16,300 family Your plan also has a co-insurance maximum. Tier 1 participating providers $4,500 person/ $9,000 family The co-insurance maximum is included in the out-of-pocket limit. The amounts calculated toward the Tier 1 out-of-pocket limits apply to the Tier 2 out-of-pocket limits. The amounts calculated toward the Tier 2 out-of-pocket limits also apply to the Tier 1 out-of-pocket limits.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billed charges, health care this plan doesn't cover, additional costs you may pay if you choose to receive a brand name drug when an equivalent generic drug is available or a non-preferred drug when a preferred drug is available, services that exceed an annual day/visit limit, and any co-pays and co-insurance you pay for any non-essential health benefits.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See PriorityHealth.com or call 1-800-446-5674 for a list of participating providers.	You pay the least if you use a provider in Tier 1. You pay more if you a provider in Tier 2. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do I need a referral to see a specialist?	No.	You can see the in-network specialist you choose without a referral.

All co-payment and co-insurance costs shown in this chart are after your deductible has been met, if a deductible applies.
